A Day At Puketeraki Marae

"It was an ātaahua reflection of not only the past, but a glimpse of the future about coming together as one... It was a beautiful journey." Aroha

'I like learning about the designs outside the whareniui. I loved Gypsy the dog. Puketeraki felt like home. I felt really welcomed.' Tara

"I loved the food, I could tell it was cooked with love." Winnie

Ngā mihi nui to all at Puketeraki for having us, we can't wait to come back again.

To Tatou Haerenga : Lizzette's Pop-Up Exhibition

Lizzette explains, "My art is like a spiritual journal and I am driven by generational inspiration from the creative taonga/treasure left behind by my tūpuna. I am inspired by what I see, the items I find to use and my wairua/spirituality. "

This has been an awesome display of Lizzette's mahi toi. The show has been well attended with so many people commenting on the beauty and diversity of the art.

Well done Lizzette.

Haere ra Julia

Artsenta and the Creative Arts Trust would like to acknowledge the passing of one of its founders Julia Aranui-Faed. Julia was deeply passionate about people, especially those affected by mental distress and we are incredibly grateful to her for her vision and belief in what would become Artsenta. Moe mai rā

Eco Printing with Kirsten

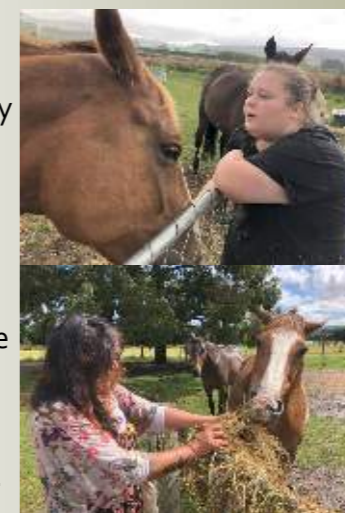

This workshop was organised by Artsenta after we had visited Kirsten's exhibition at the Community Gallery in Dunedin. I found Kirsten's work extraordinary, so inspiring! After attending the workshop I have been getting busy at home, re-vamping my linens. I am having so much fun, absolutely loving the process and hope to exhibit my own work in the near future. Thank you so much to Kirsten for sharing her knowledge, expertise and creativity with us all.

Healing Horses.

In February we were lucky enough to be invited to Healing Horses in Mosgiel. Thank you Mary it was a beautiful day and a fabulous experience. We enjoyed all the interactions with the horses and other animals.

Artsenta Concert

We all turned up comfortable, ready and off loaded an awesome array of poems and self made songs /waiata and tunes of sentimental favourites. The stage looked fab, all the organisation was great. Our concert was well done and it proves that we can do anything we set our mind to.

Reflection by Vince

The Artsenta Concert was an amazing time with the other musicians taking part. It made Artsenta one of the best places that I've been proud to be a part of.

Em-PAW-rium

This year for the Dunedin Fringe Festival we created an array of mystical creatures. From a 12-legged felted octopus, art work of cat, dogs and cows, and lots of strange creatures made of pottery. Throughout the two weeks many people came in and experienced our Em-PAW-rium. We got nominated for the Dunedin Fringe Visual art award. A true honour. Everyone really enjoyed the build up to the opening and seeing all the great projects they put in. Bring on next year. Reflection by Anita.
